Bree Brazell

Bree,
I can't believe the time has gone by so fast. It seemed like yesterday I was dropping you off for your first day of pre school. You were so excited to go and meet new friends, while I watched the clock until it was time to pick you up. I love you so much and I am so proud of the young woman you have become. You are a strong and loving person with a huge heart. Where ever life takes you I know you will succeed. I will always be here for you because no matter how old you get you will always be my little girl. As you go off to college I will be thinking of my little girl with the ponytail on top of her head going off to pre school. No crying-I promise.
Congratulations
I love you,

A precious little flower
that is in constant bloom
We watch as yet another milestone
around the corner looms.
It seems like only yesterday
that we shared a breath
but now it seems like tomorrow
you will leave and we'll be left.

A tiny little angel
that always is in flight
as soon as you came into our life
you brought us so much light.

Your beauty is so stunning
your smile makes all melt
Were so proud to be your parents
It's the best we've ever felt.

Oh perfect little princess
with you we're so in love
every night before we dream
we thank the lord above.

How did we get so lucky
to have as sweet of a gift as you
If ever you should need us
there's nothing we wouldn't do.

Dan Kennedy

Dan,
